

August 17, 2023

HELLO OAKLANDING ASSOCIATION MEMBERS:

Just a quick note to let you know that despite our lawsuit troubles, we, the POA Board, have made the decision to begin work on the roads starting today. We are asking all residents to clear your ditches of any yard debris, garbage, and any vehicles, etc. parked on the easements. Also, Article C, paragraph 30 of our Oaklanding Covenants requires that you clean your driveway culverts to allow the free flow of water. This is especially true of driveways of hills on Oak Hill Dr, Oak Crest Dr, Oaklanding Cir and Briarwood Ln. Please help us in this endeavor as we are making an effort to repair the main culvert at the corner of Oak Hill and Briarwood and to improve the roads plus ditches in the easement. Thank you.

POA Board

Ellen Morton President

Connie Tilger Vice-President

Virginia Payne Secretary/Treasurer
